

## Test Directions

Please go through the instructions carefully.

Your AMCAT ID for this test is **89810164917012**. Copy this ID for future reference.

- Please follow the directions for each question and provide the most appropriate response.
- Once you have selected/provided your response, click on the "Confirm Answer" button. At this point, you can still change your response.
- When you are satisfied, click on the "Submit Answer" button and proceed further.
- Do not open any browser/tab other than the testing window. Do not minimize the testing window. If you attempt either of these actions, you will be automatically logged out of the test.
- Use of any electronic device (calculator, smartphone, etc.) during the test is strictly prohibited.
- You will be evaluated using a coding platform called as 'Automata' and multiple choice question(MCQ) format test. Coding test is mandatory. You can select any **three out of five** MCQ tests.
